Celtic Curley Memorial Scholarship and Crisis Fund

*The Memorial is in memory of
two lives that were lost in a brief
moment in time. One just
starting a life the other in her
prime. A percentage of all profits
at Coldheart Barrel Races will be
given to this memorial fund.
Dedicated to making a difference
in our community, not just
during a sudden tragedy but in
those moments when life takes
more than you can give.*

This year Coldheart Productions will be
donating to our Military men and
women who put our freedom above
their own needs and safety.
They sacrifice for the everyday life we
take for granted. Gratitude and
support is our duty.

Also, giving to our local schools is
necessary. Not for school supplies but
the extra things. School pictures, field
trips and extra activities that some
kids may not be able to afford. It's a
sad thought that some will talk about
their experience and others will stay
silent. Those experiences make us
who we are.
